

DYNA-PRO™

PCA

Preferred Course Additive

CHELATES

INFORMATION

Dyna-Pro™PCA is a highly effective foliar micronutrient formulation designed to prevent and correct iron and manganese deficiencies in most turf grasses. It should be applied in adequate water for coverage during periods when plants or grass are growing rapidly. If added to the spray tank first, it will aid in lowering the water pH. Check the compatibilities of untried chemical mixes. The addition of a non-ionic surfactant and/or urea nitrogen will aid in uptake.

RECOMMENDATIONS

Turf: Apply 1 to 3 ounces per 1000 sq. ft. in enough water for adequate coverage. Repeat applications every 3 to 5 days or as needed.

Greens: Apply 1 to 3 ounces per 1000 sq. ft. in enough water for good coverage. Repeat application every 3 to 5 days or as needed.

Ornamentals and Foliage Plants: Apply 1 qt. per 100 gallons of water as a drench or foliar application. Wet to run off and repeat as needed.

GUARANTEED ANALYSIS

Iron (Fe)	4.00%
4.00% Chelated	
Manganese (Mn)	2.00%
2.00% Chelated	
Derived from: Iron polycarboxylic acid, and Magnesium polycarboxylic acid.

Weight per gallon: 11.30 lbs.
Store above 32°F

DANGER

Causes severe skin burns and eye damage
May be corrosive to metals
May cause damage to central nervous system through prolonged or repeat exposure

Prevention: Wear protective gloves, chemical splash proof goggles, and face protection. Do not breathe vapors, mists or sprays. Use only outdoors or in a well-ventilated area. Wash thoroughly after use. Keep in original container.

Response: If swallowed: Rinse mouth, Do NOT induce vomiting. Immediately call doctor.

If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. Immediately call doctor.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call doctor.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call doctor.

Get medical advice/attention if you feel unwell. Absorb spillage to prevent material damage.

Storage: Store locked up. Store in a well-ventilated place. Keep container tightly closed. Store in corrosive resistant container (e.g. polypropylene, polyethylene, fiberglass, See Section 7 of SDS).

Disposal: Dispose of contents/containers in accordance with local/regional/national regulations (See Section 13 of SDS). Containers may be triple rinsed and offered for recycling.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery.

The Seller's liability under this warranty is limited in amount to the purchase price of the product. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.
