

DYNA GOLD[®]

Cabbage & Potato Spray

PRODUCT INFORMATION

Dyna Gold Cabbage & Potato Spray is a highly active liquid foliar spray designed to prevent and correct selected deficiencies. If added to spray tank first, it will aid in lowering water pH. The addition of a non-ionic surfactant is essential in aerial application and will enhance uptake in conventional ground application. **Dyna Gold Cabbage & Potato Spray** will also help in correcting or preventing deficiencies caused by excess water or other factors relating to stress. A jar test to check the compatibilities of unfamiliar or new combinations should be performed prior to mixing and application.

CROP RECOMMENDATIONS

Cabbage and Potatoes: Apply 1 quart per acre in first spray with 1 to 2 pints per acre throughout the growing season or as needed. Use adequate water for complete coverage.

Row Crops and Other Vegetables: Apply 1 quart per acre in enough water to cover through fruit set or as needed.

DIRECTIONS FOR USE

Dyna Gold Cabbage & Potato Spray should be applied starting at first foliar application at weekly intervals. Apply 1 to 4 pints per acre per application in enough water to cover. Aerial application apply a maximum of 1 quart per acre in at least 5 gallons of water plus recommended amounts of a non-ionic surfactant equivalent to Active 80.

GUARANTEED ANALYSIS

Calcium (Ca)	1.00%

Weight per gallon: 10.7 lbs • Store above 32°F F: 910

DANGER

May intensify fire; oxidizer
Causes severe skin burns and eye damage
May be corrosive to metals
May cause damage to central nervous system and lungs through prolonged or repeat exposure

Prevention: Keep away from heat. Keep/Store away from clothing and combustible materials. Take any precaution to avoid mixing with combustibles. Wear protective gloves, chemical splash proof goggles and face protection. Do not breathe vapors, mists or sprays. Use only in a well-ventilated area. Wash thoroughly after use. Do not eat/drink/smoke when using this product. Keep in original container.

Response: If **swallowed:** Rinse mouth, Do NOT induce vomiting. Immediately call doctor.

If **on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. Immediately call doctor.

If **inhaled:** Remove person to fresh air and keep comfortable for breathing. Immediately call doctor.

If **in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call doctor.

Get medical advice/attention if you feel unwell.

Absorb spillage to prevent material damage.

Storage: Store locked up. Store in a well-ventilated place. Keep container tightly closed. Store in corrosive resistant container (polyethylene, polypropylene, fiberglass, See Section 7 of SDS).

Disposal: Dispose of contents/containers in accordance with local/regional/national regulations (See Section 13 of SDS). Containers may be triple rinsed and offered for recycling.

Keep away from children. Do not drink. Do not contaminate feed, seed or water supplies. Do not allow to dry out.

NOTE: Avoid spraying on concrete or painted surfaces as staining may occur. A jar compatibility test should be performed prior to mixing and application of unfamiliar combinations.

CONDITIONS OF SALE

Seller warrant that products will be labeled as required under state and federal law and that they conform to the label description. Any nonconformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery.

THE SELLER'S LIABILITY ON THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE ON THE PRODUCT. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
