

SAFETY-IRON +

STAIN-LESS FORMULATION

LIQUID IRON 5%

Reduces risk of iron stains on concrete and painted surfaces.
Ideal for use in residential and commercial turf settings.

GENERAL INFORMATION

Safety-Iron 5% is specially formulated to be applied on lawns and turf in areas that present risks of staining concrete. When Safety-Iron is properly applied it will correct and prevent iron deficiencies in turf and lawns. A jar-test to check the compatibilities of new or unfamiliar combinations should be performed prior to mixing and application. The addition of a non-ionic surfactant will help reduce surface tension and improve uptake.

RECOMMENDATIONS

Turf, Greens, Tees, & Lawns: Apply 1 to 2 ounces per 1000 sq. ft. in enough water to allow for thorough coverage. Repeat every 2 to 4 weeks or as needed.

Fairways: Apply 1 to 2 quarts per acre in enough water to allow for thorough coverage – usually 50 gallons of water. Repeat as needed.

Other Crops Requiring Iron: Use reduced rates of 1/2 to 1 pint per acre in enough water to cover and repeat at regular intervals. **Do not** use on solanaceous plants or plants sensitive to foliar iron applications.

GUARANTEED ANALYSIS

Iron (Fe) 5.00%
5.00% Chelated Iron (Fe)
Derived from: Iron citrate

DIRECTIONS

Safety-Iron should be applied at regular intervals at 1 to 2 quarts per acre in a minimum of 50 gallons of water.

WARNING

Causes skin and serious eye irritation.

May cause respiratory irritation

Prevention: Wash thoroughly after handling. Wear protective gloves, chemical splash proof goggles, and face protection. Avoid breathing mists, fumes or sprays. Use only outdoors or in a well-ventilated area.

Response: If on skin: Wash with plenty of water. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical attention.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

If Inhaled: Remove person to fresh air and keep comfortable for breathing. Call poison control or doctor if you feel unwell.

If Ingested: Rinse mouth. Drink large amounts of water. Never give anything by mouth to an unconscious person. Do NOT induce vomiting. Obtain medical attention.

Storage: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Store in polypropylene, polyethylene or stainless steel.

Disposal: Dispose of contents/containers in accordance with local/regional/national regulations (See Section 13 of SDS). Containers may be triple rinsed and offered for recycling.

Precautions:

Shake well before each use. Do not drink. Do not contaminate feed, seed or water supplies.

Do not use this product in areal or ultra-low volume applications in combination with magnesium nitrate, on spinach, or other iron-sensitive crops.

NOTE: Do not apply concentrated formulation directly to concrete or similar surfaces as staining may occur.

Keep away from children.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. THE SELLER'S LIABILITY UNDER THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE OF THE PRODUCT. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THIS STATEMENT.
